It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Leadership through change has thus become a great concern in today s business management (Axelrod 2000, p. 43). Managing change effectively is important in keeping change efforts in track and overcoming business challenges. In addition, modern organizations are highly complex and cannot be transformed by one management guru.
