Brand New Book ***** Print on Demand *****.Excerpt from *The Octopus: A History of the Construction, Conspiracies, Extortions, Robberies, and Villainous Acts of the Central Pacific, Southern Pacific of Kentucky, Union Pacific, and Other Subsidized Railroads* The author of this work is familiar with railroad history, having originated and established the first railway paper in the United States - *The American Railway Times* Boston, 1849. The present publication is of the people, for the people, and by one of the people. A ready reference, a valuable adjunct to every man's library and worthy of preservation. It is confidently believed that this *Expose* will become a potent factor in the reforms advocated by the people, purify politics, suppress monopolies and trusts and inaugurate an epoch of industrial prosperity under judicious laws and honest and wise administration. The preparation of this publication was commenced several months ago; first, as a personal matter prompted by a knowledge of the swindle perpetrated by the Directors of the Central Pacific and Southern Pacific Railroads in refusing to account for, and pay the writer the dividends and profits accruing on his stock, and interest and rights in the sale and disposition of his share in the railroad lands. Second, to expose and publish to the people of this Coast in particular, and the country and world at large, their nefarious acts in the management of their trust in the interests of stockholders and the government.
