Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Franklin Pierce, President of the United States, has suffered the greatest personal tragedy of his life, plunging him into a depression fueled madness. The Vice President arrives in Washington during middle of the night with news of an massive assassination conspiracy, but is killed with no clue as to who the murderer could have been. Can Franklin Pierce overcome his personal demons and discover who killed the Vice President before they kill him too? Franklin Pierce in Death of a Vice President is a thrilling gothic psychological horror, starring the president from the 1850 s you forgot in 4th Grade. It s a really fun read, and you don t have to be familiar with Franklin Pierce at all to enjoy the story (in fact, I think it s a better story if you go in knowing almost nothing). But if you are an American history-buff, you will LOVE this!.
