Brand New Book ***** Print on Demand *****.Excerpt from A Preliminary Report Upon a Course of Studies for Elementary Schools of the Massachusetts, State Board of Education, 1899 A course of studies intended as a guide in determining (a) the subjects of instruction that shall be pursued, (b) the time - both relative and absolute - which shall be given to the various subjects, (c) the order in which the subjects and parts of subjects shall be presented and reviewed and (d) the distribution of subjects that shall be made in the program in respect both to a proper correlation of studies and to the teaching force of the school. The questions here involved must be determined by considerations which relate to the child's nature and capacity, and by the ends which are sought to be secured in education. It is fair to presume that these considerations have been the guide of persons in making the courses of studies now in use, and any intelligent presentation of a new course or revision of an old one should be governed, in some degree at...
