

Calypso Greener Goes to Hollywood (Paperback)

Filesize: 4.94 MB

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

(Kaya Rippin)

Xlibris Corporation, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Book Summary - Long The story opens with Calypso Greener, that most stalwart of politically correct journalists, winging his way out to Hollywood where he has an opportunity to star in a new game show, What Would You Do For A Million? He is very excited to be heading to that liberal nirvana, but on the plane, he meets up with left wing blogger, Yank Feral, a new breed of political warrior who very bluntly educates Calypso about the true nature of the brutish battle for America s soul. Nevertheless his rude treatment, Calypso s enthusiasm is unquenchable because he not only has a shot at winning a million dollars, but also a chance to become one of the beautiful people with whom he shares so much in common. Unfortunately, his first meeting with the producer of the show - the odious billionaire media mogul, Flash Flake - goes horribly wrong, but because of an ulterior motive, Flake gives Calypso a second chance and even invites him to a Halloween party at the Fleshpot palace. To mingle with the Fleshpot Beavers is a dream come true for Calypso and at the palace, he runs into assorted liberal wackos and even America s foremost enemy, Osama Bin Laden, who has not only found the perfect hiding place, but apparently enjoys a very friendly relationship with the Hollywood elite. True to form, Calypso gets wasted at the party and then spends the night with a woman whom he thinks is Flash Flake s niece. The next morning he runs out on her, thinking he has blown his chance at stardom, but his faithful limo driver convinces him to pursue...
