Hay House Inc, United States, 2014. Paperback. Book Condition: New. 150 x 137 mm. Language: English . Brand New Book. In their travels around the globe, Doreen Virtue and her son Grant (the authors of Angel Words and Angels of Love) meet thousands of talented people who dream of being a healer, spiritual teacher, or writer, or of opening a healing centre or school. They also long to be able to afford organic food, vitamin supplements, exercise instruction, trips to spiritual power places, and a wonderful home. However, they don't move forward, because they don't understand how to manifest the financial resources that our current world operates upon. Doreen and Grant wrote this book as an instructional and inspirational guide to everyone who needs material and emotional support for their dream and life purpose. Whether you desire more money, time, ideas, or opportunities, the Angels of Abundance will hold your hand and help you over the hurdles that have previously held you back.
