Sterling Publishers Pvt.Ltd. Paperback. Book Condition: new. BRAND NEW, Teachers are Sculptors, J. P. Vaswani, The world's noblest profession but the most undervalued, thankless profession is that of teachers. If you have ever reflected seriously on the role of a teacher and his/her influence in shaping your life, you will find this book both inspiring and enlightening. True, we have come a long way from our ancient tradition which held the teacher as an exemplar, a role-model, guru and mentor; but Dada J P Vaswani tells us how the teacher can still be a force to reckon with today, in the spiritual, intellectual and emotional unfolding of the students. Inspired by the insights of his Master, Sadhu Vaswani, who was himself a great educationist and vastly admired and revered Professor and Principal, Dada J P Vaswani reveals new facets of the ideal teacher; a lamp-lighter, a sculptor, a builder, a moulder and shaper of the Spirit, a gardener who cultivates character, a torch-bearer and transmitter of values and ideals, and above all - a friend! Dada's profound observations are all the more valuable, coming as they do from an ideal, top-ranking, award-winning star student who turned out to be a much loved and respected teacher and one of India's foremost spiritual leaders! Turn the pages of this book and get a few glimpses of Dada's memorable portrait of an ideal teacher!.
