

Snapshots of Autism: A Family Album

Filesize: 1.72 MB

Reviews

A must buy book if you need to adding benefit. It can be rally exciting throgh reading time. I am pleased to let you know that this is the greatest publication we have read through during my very own life and may be he best publication for possibly.

(Mr. Kade Rippin)

SNAPSHOTS OF AUTISM: A FAMILY ALBUM

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Snapshots of Autism: A Family Album, Jennifer Overton, 'An excellent book from start to finish, this story chronicles one year in the life of an autistic eleven-year-old-boy. Written with candor and honesty by Nicholas' mother, Jennifer, the diary touches on the bad days as well as the good. It also sheds light on the toll that raising an autistic child can take on a parent, as well as the obstacles and milestones that Nicholas meets along the way.the faith, hope and love that the Overton's have is reflective in every page. Because this book is written by the parent of an autistic child as opposed to a physician or counselor, the reader is more able to fully absorb what life is like for the Overton's. A must-read for any parent or family member who has or knows a child who is autistic.' - Metapsychology The various responsibilities and rewards that accompany parenthood provoke strong emotions, and with an autistic child, these feelings are often both heightened and contradictory. Starting and ending on the eve of her son's birthday, the date that also marks the anniversary of his diagnosis, Jennifer Overton uses the key calendar events in the year to discuss the roller coaster of emotions that accompany life with her autistic son Nicholas. Among many episodes, she describes the disappointment on her wedding anniversary as she realizes that Nicholas may never marry, the frustration on Mother's Day that comes from parenting a child without hugs and kisses, and the fear on his first day at school that while she may love him unconditionally, the wider world may not be so sympathetic. Using dialogue, narrative, letters and pictures, this book is a powerful account of what it is like to mother an...
