Filesize: 4 MB

Reviews

Complete information for pdf fans. it had been writtern quite perfectly and helpful. You can expect to like how the article writer compose this ebook.

(Jack Hirthe)

TEXTBOOK OF COMMUNITY DENTISTRY

Jaypee Brothers Medical Publishers (P) Ltd., 2007. Softcover. Book Condition: New. First edition. 15 x 23 cm. In an era where incidence of dental diseases is rising at an alarming pace, however, high cost of dental treatment becomes a limiting factor for most of the masses to ask for it, preventive dentistry assumes pivotal importance, as it equips dental surgeons as well as dental hygienists handy in-depth knowledge of preventive measures that can be adopted for the treatment. The book is in conformity with the latest syllabi of Dental Council of India and deals with ins and outs of preventive dentistry in an easy-to-grasp manner with requisite simple line diagrams as well as black and white and color photographs wherever needed. For the sake of convenience, numbering of teeth has been done both in FID system and old notation system. For recapitulations, MCQs of all the chapters are given in a separate chapter at the end. The book is primarily meant for students aspiring to become general dental practitioners, dental hygienists by appearing in various competitive examinations. Postgraduate students will also find this book quite useful as a reference book. Printed Pages: 612.
