

Easy as Do - Re - Mi: Violin Book One (Paperback)

Filesize: 3.15 MB

Reviews

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.

EASY AS DO - RE - MI: VIOLIN BOOK ONE (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Easy As Do-Re-Mi, complete in two books, is a modern method for teaching strings in a classroom setting, based on time-honored principles of the noted pedagogues of the past. It is a method for teachers with differing backgrounds, training, and expertise, who are looking for a guide to teaching note reading that is logical, sequential, and easy to understand. The fundamentals of string playing are introduced, one at a time, on uncluttered pages, with a solid emphasis on finger patterns. It has proven to be extremely successful in the many schools where it has been tested, and its strength lies in its simplicity. This method was written, after many years of teaching in the public schools, and addresses the issues and differences, that separate private and classroom teaching. Because of the different needs of the instruments, teaching in the classroom presents many challenges which don't exist in the private studio. It is my firm belief that it is most efficient for the violin (and viola) to learn with the highest string, the E (and A), when beginning to play their instruments. However, when teaching in the classroom, with unison playing, it is a necessary compromise for students to begin on the D string. It has been evident to me, that students learn most easily and rapidly, when the fundamentals are presented very simply, one at a time. The goal is to become fluent on the violin, viola, cello, or bass. Without the distraction of extraneous material on the page, the student is able to focus on the music. Specific Advantages in Book I 1. The method begins with a suggested rote instruction, setting the hand for the Major...
