

A Family for Sammy (Paperback)

Filesize: 9.4 MB

Reviews

This pdf may be worth acquiring. It can be written in easy words and phrases and not hard to understand. I am pleased to tell you that this is basically the finest book I have read through during my personal existence and might be the greatest pdf for at any time.

(Jeffry Tromp)

A FAMILY FOR SAMMY (PAPERBACK)

Special Stories Publishing, Ireland, 2007. Paperback. Book Condition: New. 206 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has been designed for parents, teachers, carers and social workers to read with children who are about to begin the process of Foster Care. The story is told through the eyes of the main character, Sammy, who is himself going through the Foster Care process. He refers to feelings of fear and doubt about his holiday to another family, but he is delighted to find that his new family are kind, caring and have time to have fun with him! By the time Sally the social worker comes to collect him he is feeling happy and safe in his new home. He returns to his family to find them happier than they had been when he left, and positive that he will have no fear of returning to a similar holiday family. By reading this story with your child, and discussing the experience of a child in a similar situation, the parent/social worker can enforce the fact that a holiday to a short-term foster family is a positive thing. It is something that children shouldn't fear, but in fact, look forward to! It also reassures them that when the holiday is over they will be returning to their families, and that it is not a permanent move.
