CASCADE BOOKS, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Killer gales and orcas, slickrock and storm toads, blackbirds, junipers, bathroom lizards--terrifying beauty infuses these poems as they probe and praise the tidal rhythms of love and faith, long-term. Meet Dreamer and Bean: reveling in God, each other, and Creation. Belief falls away for one of them like the self-pruning limb of a cottonwood tree. Marooned in the slash, the pair must trailblaze common ground. A lyrical field guide for journey mates, this collection explores perilous terrain for body and soul, and the price of a promise, over time. In *Where the Sky Opens*, Laurie Klein poses an implicit question of location. As it turns out, that sky opens in the reader's heart, crossed by flights of love and loss in poems that sing like red-winged blackbirds on the edge of a northern marsh. With a deftness of image and patience of faith, the poet reminds us to let grief be, with every breath, a readied womb. --Paul J. Willis, author of *Say This Prayer into the Past* Klein's first collection of poems is a glorious hymn of praise, inviting us into intimacy with things both known and unknown, earthy and sublime. Her language lifts you from the page into a poetic reverie and deeper reverence for life. --Christine Valters Paintner, author of *The Artist's Rule: Nurturing Your Creative Soul with Monastic Wisdom* What sinewy, mature poems these are, dynamic and packed with color! Klein's lines zero in on her life's crucial details that then enlarge, resonate, and fill the frame of the reader's imagination. Dig in. Enjoy. This poet knows her way through words to things too vital to ignore....
