What makes Spanish with Amigos different is that instead of studying Spanish by yourself, this simple book was designed for you to practice your Spanish conversation skills right from the start with a friend (an intercambio), a conversation group (grupo de conversacion), or even a beginning Spanish conversation class (clase de conversacion). Spanish with Amigos has been intentionally designed to be very short and simplistic - with little grammar included - so that beginners feel successful right away learning the 300+ words and phrases. Each of the 22 topics start with a manageable vocabulary list of 12-20 words/phrases, including a phonetic pronunciation guide, such: Good morning. / Buenos dias. / BWAY-nose DEE-ahs. The topic is immediately followed by role-play ideas and conversational exercises so that you can practice the vocabulary with your co-workers, family, and friends - making Spanish a fun, social activity!.
