With hands deep in pockets and hat pulled well down over his eyes, Jerry Blake, reporter, came swinging up Rivington Street late one winter afternoon, wishing something would happen. He had been over to the East River on an assignment connected with a supposed murder case, which had turned out to be no murder, but merely a drunken brawl, the like of which was so common in that quarter as to have no story in it. And he wanted a story, a rattling good story to take back to his chief when he returned to the office and reported on this assignment. Rivington Street seemed to him exasperatingly commonplace as he came along. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
