One night, the river beside the village mysteriously runs dry. It has done so every 100 years, since anyone can remember. Brian and his gang go to discover what's causing the stoppage. Their journey takes them through some very strange and stinky places, never before seen territories, till they reach a giant dam which looks like a huge bath tub. A giant is taking his 100 year bath, hence the stench. Brian invents a temporary water diverter that part-stops the flow of the river to create a Giant Shower at the Giant's causeway.
