FROM NYMPH TO NUN IN NINE MONTHS: HOW TO SURVIVE RELATIONSHIPS (PAPERBACK)

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 226 x 150 mm. Language: English Brand New Book ***** Print on Demand *****.Often the most unsuspecting things influence our lives and cause havoc in relationships. These vary from natural causes in our own bodies, to decisions made by our spiritual and political leaders. What is often trivial to one might be the most important to the other, and in many relationships we simply expect our partner to understand these. That is assumming that we know what the true origins behind our own problems are! Nymph to Nun discusses concepts that influence all of us, whether we realize it or not. We learn that most humans are really quite nice and actually do want the best for each other. Families should be the most wonderful experience, so why do priorities so often change from what we set out for them to be? Most of us recieve emails from freinds with humour poking fun at both sexes within relationships, often closer to the truth than we care to realize. Many of these email are included in the book to add a humouress, lighter side before we go to a more serious discussion to learn why two people who love and commit to each other so often decide to break up. I ve consulted with many of both sexes to find out and then discuss what our individual needs and priorities are. This is done with one goal: To learn more about our spouse in order to ensure better relationships. Let us grow.
