SAFARI PLANNING MAP TO EAST AND SOUTHERN AFRICA

Global Travel Publications,U.S., United States, 2016. Sheet map, folded. Book Condition: New. Duncan Butchart (illustrator). 222 x 114 mm. Language: English . Brand New Book. Printed on waterproof, tear-resistant paper, this is the only Safari Planning Map to Africa on the market and includes key elements essential in planning a successful safari. This full-color map is large (38.25 x 26.5) and is in itself a work of art by Mark Nolting, the author of Africa s Top Wildlife Countries and the African Safari Journal and Field Guide (each with over 200,000 copies in print). The map emphasizes the wildlife areas and provides information needed to plan a safari, whereas other maps focus on intricate road systems etc. which are irrelevant to most international safariers, as they either fly from camp to camp, or they are driven by guides. Side 1 includes: All the top safari countries and important wildlife reserves in East and Southern Africa When s The Best Time to Go for Wildlife Viewing chart What Wildlife is Best Found Where chartTemperature and Rainfall charts Side 2 includes: Enlargements of the two key regions visited by most travelers: The Okavango Delta(Northern Botswana) to Victoria Falls, and Northern Tanzania and Southern KenyaThe Great Serengeti MigrationThe Okavango Delta Flood (inundation)Enlargements of other popular reservesThe location of the best safari camps and lodges.
