Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What do you do when your world falls apart? Panic? Despair? Or repair? Augustine and Ataturk, a fifth-century African and a 20th-century Turk, each faced an empire s end. Each created, from the wreckage swirling around him, a lifeboat for his people. They teach us how to focus our lives to achieve maximum results, for ourselves and for those who count on us. Thomas C. Smedley, PhD, brings a technical writer s perspective to the social scientist s task. Decades of studying social collapses and regenerations come together in this study. Using literary criticism and computer-aided content analysis, Smedley sifts out common imperatives shared by world changers.
