Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Vistaar Publications, New Delhi, India, 2006. Paperback. Book Condition: New. First Edition. Rising global poverty, widespread conflict and post-conflict reconstruction, and the large population of displaced persons these are a few global situations that are adversely affecting the well-being of millions of people. This book draws together the practice wisdom emerging within the broad scope of international social work practice. Using an integrated perspectives approach, which incorporates global, human rights, ecological, and social development perspectives, the authors prepare readers to actively respond to modern global challenges that are critical to the well-being of people, communities, nations, and ultimately all of us. This special South Asian edition has been published with a new preface and an appendix that contains sources of excellent case studies drawn from across the South Asian sub-region. Printed Pages: 440.
