Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

iUniverse, United States, 2007. Paperback. Book Condition: New. 211 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In the art world, law enforcement is often portrayed as an abusive institution. However, the writing of peace officer Corbet Dean has deeply affected many of the experts: Corbet transcends stereotypes, shifts paradigms, and genuinely reaches. Him and faith, they ve got the same hunger-punch. - Buddy Wakefield, Individual World Poetry Champion Corbet Dean is an example of slam s original intention: to give a voice to people from all walks of life, and to find a choir of truth in what we all say. -Marc Smith, founder of the Poetry Slam Very few poets have been down his road. No one else can tell his stories. Corbet has a voice that goes back in time, to those moments we avoid and forget. He goes there so we don t have to. And if you do go, he s willing to stand with you and be the light. If you don t get Corbet Dean, you re probably lost. This here is one of my favorite humans. Let him guide you. -Mighty Mike McGee, Individual World Poetry Champion A Collection of Crime Scenes provides compelling stories about love, philosophy, and law enforcement. By communicating the heart and detail of such complex issues, Corbet Dean offers an unforgettable glimpse at urban life through the eyes of a police officer.
