Scarthin Books, 2011. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. This beautiful, full-colour on art-paper, 248-page, A4 format hardback book, is a companion to Rod's first "Walk the Peak" volume, of which only one copy is currently (December 2011) available on the net, at above its publication price. Walk the Peak 2 is even better, once again the fruit of decades of the author's experience and work, illustrated by the very best from Rod's archive of photographs, carefully originated by Rod and by CJWT of the Wirral and printed with great precision by Ten-Ten of China. These second fifty expeditions include many along less well-known and even-more intriguing itineraries. we have underpriced this volume (and are inhibited from charging the £25 we should by having printed £19.99 on the dustwrapper!). If you love being outdoors in the Peak, you will love this book to keep or present to a friend or visitor. Order a copy now, before it goes up in price, out-of-print and both.
