SCIENCE ON STAGE: EXPERT ADVICE AS PUBLIC DRAMA

Stanford University Press. Paperback. Book Condition: new. BRAND NEW, Science on Stage: Expert Advice as Public Drama, Stephen Hilgartner, Behind the headlines of our time stands an unobtrusive army of science advisors. This lively and accessible analysis - which includes its own drama, complete with Greek chorus - provides not only new insights about science advice but also a fresh look at the social dimensions of scientific writing. The theatrical metaphor highlights issues that more familiar theoretical frameworks often leave...
