

Proust s Overcoat: The True Story of One Man s Passion for All Things Proust (Hardback)

Filesize: 4.06 MB

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

(Mariela Stroman)

Ecco Press, United States, 2010. Hardback. Book Condition: New. 188 x 132 mm. Language: English . Brand New Book. Jacques Guerin was a prominent businessman at the head of his family's successful perfume company, but his real passion was for rare books and literary manuscripts. From the time he was a young man, he frequented the antiquarian bookshops of Paris in search of lost, forgotten treasures. The ultimate prize? Anything from the hands of Marcel Proust. Guerin identified with Proust more deeply than with any other writer, and when illness brought him by chance under the care of Marcel's brother, Dr. Robert Proust, he saw it as a remarkable opportunity. Shamed by Marcel's extravagant writings, embarrassed by his homosexuality, and offended by his disregard for bourgeois respectability, his family had begun to deliberately destroy and sell their inheritance of his notebooks, letters, manuscripts, furniture, and personal effects. Horrified by the destruction, and consumed with desire, Guerin ingratiated himself with Marcel's heirs, placating them with cash and kindness in exchange for the writer's priceless, rare material remains. After years of relentless persuasion, Guerin was at last rewarded with a highly personal prize, one he had never dreamed of possessing, a relic he treasured to the end of his long life: Proust's overcoat. Proust's Overcoat introduces a cast of intriguing and unforgettable characters, each inspired and tormented by Marcel, his writing, and his orphaned objects. Together they reveal a curious and compelling tale of lost and found, of common things and uncommon desires.
